Subject: Selection of Promising Indian Men Players for DHL Development Camp

Dear All,

It gives us immense pleasure to inform you that IRFU has entered into a partnership with DHL who will be supporting us in training 15 promising boys and men in the 17-20 yr age group with the intent of grooming them to potentially become the future of Indian Men's Rugby teams. These talented but fairly raw players will be trained to achieve a higher level of performance and an advancement of their Rugby skills over 2 camps of 20 days each. The first of these camps will be held from 8th July 2024 to 27th July 2024 at the LNIFE Campus in Gwalior.

The list of the 15 boys and men has been made based on the evidence of their potential at the 9th Jr Nationals Championship from 25th to 26th June 2024 held at Shree Shiv Chattrapati Balewadi Stadium. The selections have been made by the IRFU selection committee basis the recommendations of the scouts present at the National Championship. The list of selected players is enclosed with this letter in Annexure 1. The list has been uploaded on our website as well.

IRFU will be taking care of all the necessary arrangements for conducting the camp (travel, boarding and lodging etc.) and further all players selected will be paid a stipend of INR 10,000 per camp. The IRFU high performance team will be reaching out to them to make the necessary logistical arrangements. Please NOTE that selection to the DHL Development Camp does not assure a player of selection for Indian U18 or U20 national camps scheduled to be held later this year.

This camp is a significant milestone for Indian Rugby as we take a step towards setting up development squads that will hopefully be the future of Indian Rugby. Let us wish the players selected all the best.

With Regards,

Rahul Bose
